“Should NC Board Members Be Required to File Financial Disclosure Statements?”

The purpose of this town hall is to gather public input regarding Council File 08-0351. The City Council will soon be discussing financial disclosure requirements as they relate to Neighborhood Council Board members. Several alternatives are proposed for consideration. 1 An Annual Financial Disclosure for all Neighborhood Council Board members and 2. A Financial Disclosure form filed in advance of opening a Neighborhood Council File. What type of financial disclosure Form, **if any**, will be required by the City Council, i.e., a Form 700, a Form 52, a Form 53, or a modified version (see links below for report and proposed language).

If you are unable to attend, kindly submit your comments via e-mail to donecontact@lacity.org, via fax to (213) 485-4608 or mail to DONE 334-B East Second Street, Los Angeles, CA 90012. The BONC will compile its recommendation to the City Council based on neighborhood council input. Listed here are CF#08-0351 document links available online on the City Council File Management system that pertain to this item.
