

ALL CERT INSTRUCTORS

January 31, 2001.

Effective immediately, any member taking information on further classes, and upon the conformation of any class, you shall inform the contact that the L.A.F.D. C.E.R.T. Training only conducts NON-DISCRIMINATORY classes.

No class shall be scheduled unless the contact person fully understands, that during the duration of their class, that a person from another class may have need to attend a session in their class to make up a missed session and will not and cannot be excluded.

NON-DISCRIMINATION includes race, religion, gender and group affiliations.

If a potential class chooses not to comply, we will NOT schedule their requested class.

Any questions may be directed to Captain Amparan or myself.
